Even without any classes together we've had lotsa fun. Maybe next year. Let's really show 'em who's the best next year as Mighty Seniors. How about all the stupid (but fun) things we used to do? Well all right, so we still do 'em. When we both get licenses we can really have some fun! Remember, we have to get a pair of dice for Gary, so he'll know how many sides there are to 'em. Good old Geometry! I didn't get a thing out of it. Neither did he! Just think of all the poor guys we've gone thru! When ya look back on it how could we? Well, I'm stuck for anything more to say so... Luck Always.

## MR. WILLIAM CARR

We, who hope for the future, dedicate this 1966 LaCamas Annual to Mr. Carr, who has hoped with us. Throughout his years in Camas High School, Mr. Carr has taught and advised us, and we take this opportunity to thank him. Believing in the individuality of man, he has taught us to teach ourselves, to reach for our goals, to believe in human worth. Yet he has said all this in his personal example more than by word. We too shall strive to become a positive part of our world.

"No one knows what it is that he can do till he tries."

Phyllis,

You'll have to be patient with me. I'm rather naive!! Won't you please reconsider & accept that just tooth I offered you. (Joke!) REALLY!

## GARY RITTER

### PRESIDENT

"I pledge allegiance..." to Camas High School. This could easily have been Gary Ritter's oath taken for the position of president. Allegiance is truly what Gary gave to this institution.

Gary has proven to be intelligent, industrious, and indispensable through the 1965-1966 school year. His imaginative nature has added numerous new innovations to Camas High. He is diligently striving to fulfill his platform.

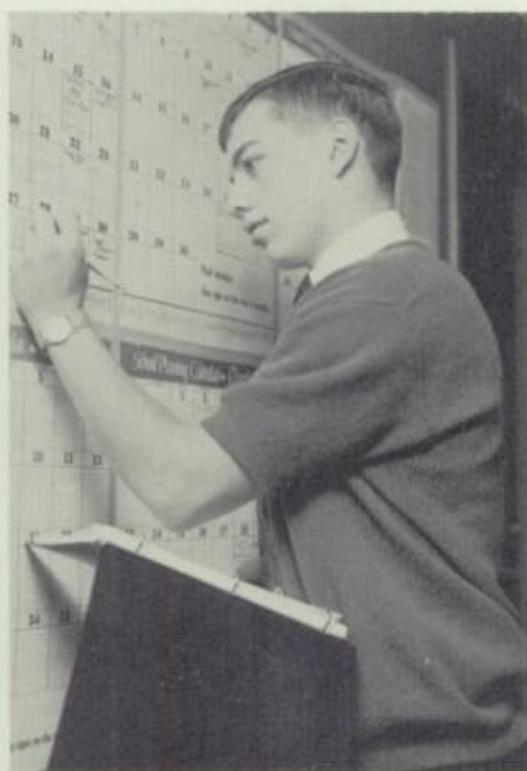

A vote of thanks, from the entire student body, goes to Gary Ritter for a most productive school year.

## Communist Oppression

The Wall. . .

The Men in Black!

Conformity. . .

Due to the efforts of Mr. Cooper, Mr. Strickland, Mr. Quorn, and some of the team teaching World Problems class, our school was overrun by dictators. Despite resistance efforts, the student body realized the oppressive powers of a dictatorship. Because of this learning experience, we appreciate more our personal freedoms as citizens of the United States of America.

## March...

In the past years, Camas High School has been proud of its students in many areas--athletics, scholarship, home economics, and fine leadership. But it is rare in the history of any school that such initiative and bravery is shown as was on December 28, 1965 when four of our citizens, Slyter, Huston, Ostenson, and Stahl, rescued Mrs. Chamberlain and her two daughters. We should indeed be proud!

## Community Spirit

## Their finest hour

## School Spirit

Due to the spirit permeating the atmosphere at Camas High during the 65'-66' basketball season, Tana Lively and Patt Hotten are proud to receive the sportsmanship trophy. This coveted trophy is awarded on the basis of the sportsmanship of the rooting section, rally squad and team.

## SENIOR Class of 1966

### History of the Senior Class

The senior class of 1966 is very fortunate. Throughout this year, as all years, we have been led by a group of able and most helpful adults and students. We would like to express our gratitude to our staff of the finest advisors- Mr. Carr, Mr. McGraw, Mr. VonKaenel, Mr. Stahl. They have been most helpful to us, and patient with us.

Our Associated Student Body officers, president Gary Ritter, vice-president Benny Andrews, secretary Barbara Brooking, and treasurer Norene Buhman, were efficient and industrious, as were the senior class officers under Walt Radcliff, president. Mike Slyter was vice-president, Beth Zollo secretary, Tana Lively treasurer, and Mike Hutter sergeant at arms.

Special thanks, too, go to Pep Queen, Pat Hotten and the rally squad whose senior members were Candy Barnes, Jan Bailey, Linda McGeachy, Kathy Meyer, Walt Steeves, and Mike McKeever. They gave all of their support to two very deserving teams.

Our lives this year were all certainly enriched by the presence of our exchange student, Mike Hutter, who hails from Munich, Germany. He stayed here with the Robert Holland family.

On the evening of November 20, 1965, Camas High School was transformed into an "Emerald City" as the scene of our Senior Ball. Co-chairmen were Sharon Mason and Tom Richardson.

"Oh, we love the halls of ivy," rang out on June 3 as the senior class of 1966 graduated. The valedictory honor was shared by Marilyn Hoyt and Mary Knapp. Barbara Brooking was salutatorian and Dan Girvan was our elected class speaker.

A poet once this  
sentence penned:  
"The one is rich who  
has a friend!"  
I read it and I  
thought: "How true!  
He must have had  
a friend like you!"

## Memory

With unrelenting crescendo, the symphony of a life replete with melodic progression hastens to its finale. And a friendship that is ours to share, with its "largos" and "allegros" moves everlasting; onward in sweet memories.

-Anonymous-

Mark Brower, Vice-President; Cheryl Bethune, Treasurer; Kathy Westby, Secretary; Bryan Ostenson, President; Ed Huston, Sergeant-at-Arms.

## Junior Class

The class of '67 led by Bryan Ostenson, President; Mark Brower, Vice-President; Kathy Westby, Secretary; Cheryl Bethune, Treasurer; and Ed Huston, Sergeant-at-Arms, completed a highly successful year.

The money making projects through the year went towards the Junior Prom in the spring. During football they sold pop, and during basketball they sold popcorn. They also held dances during basketball.

Ed Huston and Bryan Ostenson received some honor and fame in December, when they helped in the rescue of a child out of Dead Lake. They both were members of the team and were returning from the Christmas Tournament in Evergreen.

Miss Wilson was the junior class advisor and gave unfaltering help during the whole year and especially during the hectic prom preparations.

All of the class has next year's graduation on their minds foremost. The school will really be losing a good class, a hard working class, and a loyal class.

Dear Phyllis, this  
Oh man! I hope I  
has been such a  
great year! I hope I  
have ya in more classes  
next year, cause otherwise  
hardly see ya. Of course they'll  
miss ya to me the sweetest  
I'll write to you all  
this summer. You'll have  
junior year all  
know. I wish you all  
the happiness ever and  
I know you will cause  
you're such a fun gal  
Good luck always and  
God bless you.  
Love,  
Judy

## Sophomore Class

The Sophomore Class was led to a successful year by its capable leaders. They are Steve Stahl, President; Carl Amberg, Vice-President; Carol Watson, Secretary; Cathy Brooking, Treasurer; and Bob Morris, Sergeant-at-Arms.

Peanuts were sold at both football and basketball games under the supervision of Sergeant-at-Arms, Mr. Ronhaar.

The J. V. team worked very hard this year. The fellows were supported by the Sophomore J. V. Cheerleaders. They were Vicky Barnes, Janet Golladay, Katy Ward, and Bobbi Wenholtz.

Many thanks go to Mr. Ronhaar, Mr. Purdy, and Mr. McGeachy, our class advisors, for their help and guidance this year.

Phyllis,

Will it be bad we didn't have a chance to make  
any mud pies with Peterup but that's like I  
guess. Next year we can make up for it I hope.  
We should start a low column. We have  
given each other so much advice. We must  
be had advice because nothing good ever  
happens. Just by sticking it up,  
done,  
Susan

Love ya

Rusty  
Well as I'm  
sitting here drinking,  
a coke, I really don't  
know what to say. You're  
a real sweet kid, don't  
ever change O.K.A.I. I'll  
bet you know more Spanish  
than me, which wouldn't  
be a surprise to anyone.  
Stay sweet and you'll go  
places.

Ricky (65-66)

Phyllis,

Well, Phyl we finally made it. Sometimes I wonder how. You'll be a big mighty Senion next year. Have as much fun as I did and you'll have a pretty good year. We have really had a lot of fun in the last two years of Choir together. You are really a wonderful girl. I'm so glad we have been friends. I hope we will see each other a lot this summer. I'll sure miss ya. Remember the "Sings" in Portland? I will be praying and hoping everything turns out between you and ~~Bob~~. I haven't met him, but from hearing you talk about him, it seems like I know him. I think you'll make a darling couple. Have a lot of fun this summer and be real good ~~at~~. May God richly bless and keep you in his ways. Whatever happens remember you are a very special friend of mine.

P.S. you better get your material pretty soon!!

Love and Prayers,

Althea (Jackson)

Dusti,

Well while I lay here wondering what to say, I only think of you know who. Everybody had to look at your annual before I got to sign it so I had to sign it while I'm in bed. It's been a lot of fun knowing you. You've really helped me out in more ways than one, but now I've sorta taken the other road. I know with your prayers and with God I'll make the right road. You've got one more year left until graduation. Just think you'll be a senior then you won't. After you get out of school you'll wish you were back there again. I know I do. I would say more things but I can't because other people sign your annual and like to read what other people have written. Everyone wants me to turn out my light so I guess I better close. I'm sorry I didn't get a full page. I tried at least. I didn't get your letter written either. You stay as sweet as you are and you'll go a long way. Always remember to take your problems to God in prayer. Whatever happens is what is suppose to happen. We don't know why, but some how it fits into the plan. Keep a cool head and leave the rest of the boys alone. You hear. May be ~~it could~~ ~~it could~~ I hope Nancy doesn't forget to give this to you in the morning. Good luck next year in your senior year and after your graduation. Maybe we could see each other once in a while. Guess what I made a full page.

Good luck always  
Love Ya Father
